Under the leadership of the Rotary International, the Rotary Club Aix en Provence Connection and Rotarians from the Aix en Provence area are honored to organize a 4-Day Annual Meeting of the Rotary Fellowship "Cycling to Serve", May 23rd-27th 2018. This four-day program includes cycling through the Sainte Victoire, Sainte Baume, Haut-Var and Mont Ventoux mountains.

Not seen in France since 2002, Cycling to Serve is a major international event that aims to fund various local, national and international humanitarian projects with the Rotary International.

Proceeds from «Cycling to Serve Aix 2018» will go to support 3 major projects

Equipping and rebuilding schools in Nepal destroyed by the 2014 earthquake.

Purchasing handisport tandem equipment for the Sport and Leisure Association for the Blind and Amblyopes (ASLAA).

Supporting the Rotary Foundation, which has been active for 100 years and has enabled the near eradication of polio worldwide, as well as, the funding of some of the largest school exchange programs in the world. The Rotary Foundation supports actions in many diverse areas such as woman's and children's healthcare, education, the fight against diseases, clean water supply and world peace.

CYCLING TO SERVE

LCycling to Serve is an international Rotarian group dedicated to promoting cycling as an opportunity to carry out charitable activities. It has several thousand members, made up of both Rotarians and supporters in France, Europe, North America, India, Australia, Russia and other countries.

The goals of «Cycling to Serve» are:

To develop and promote friendship through cycling events around the world.

To raise funds through cycling events to finance local and international actions.

Sightseeing Tours

A sightseeing program has been organized for guests/ participants who are not cycling or who decide to not cycle every day. The program includes a visit to a local winery and local handicraft stores (soaps, calisson candy, olive oil etc), as well as time to discover the charms of Aix en Provence with its small, paved streets and beautiful boutiques. In addition, tours to neighboring Marseille will reveal the old port area, museums such as the Mucem and the glittering sea shores.

Accommodation

Participants will stay at the Best Western Sainte Victoire Hotel. The hotel is located less than 15 km from the city center of Aix en Provence and offers spacious rooms with panoramic views of the Sainte-Victoire mountain, the garden or the swimming pool. This is the ideal place to start our bike loops to Sainte Baume, Haut-Var and Sainte Victoire.
